EXCELLENT SERVICE ON K. L. S. & C. R. R.

General Supt. H. D. Swayze of the K. L. S. & C. R. R. was in town Tuesday and made this office a pleasant call, telling of the new Sunday train schedule which goes into effect next Sunday July 11. East bound trains will leave Paw Paw at 6:15 a. m., 8:40 a. m. and 6:30 p. m. and west bound trains will leave Paw Paw at 8:40 a. m. and 3:09 p. m. This new schedule will give two additional Sunday trains, one in the morning at 8:40 East and 3:09 p. m. west. The afternoon train makes connections at South Haven with steamer, City of South Haven which leaves South Haven docks at 5:00 p. m. This makes it very convenient for people spending the week end at the many lakes adjacent to Paw Paw. The time for the afternoon train at Lake Barrison, is between 3:09 and 3:19 p. m. The train is scheduled to leave Lake Cora, at 3:19 p. m. going west arriving at South Haven at 4:30 p. m.

The morning train which leaves Paw Paw at 8:40 a. m. arrives at Lake Cora at 8:50 a. m., returning in the evening at 6:15 p. m., arriving in Paw Paw 6:30 p. m. Kalamazoo 7:25 p. m.

The stations of Brighton, Walker, Eason, Barrison are flag stations and no time is scheduled.

The K. L. S. & C. is making a bid for the resort business, and the management is doing everything possible for the city patrons of the summer resorts. You can route your friends from Chicago to Paw Paw via boat and K. L. S. & C. with the assurance that the service is the best, and your friends can return to their duties in the city via K. L. S. & C. and Boat, with practically no lost time.

This is the best Sunday schedule that has ever been put in effect on this road and Supt. Swayze is to be congratulated upon his efforts.

Route your friends over the K. L. S. & C. hereafter and tell them "there is no other way."

A NEW NATIONAL HYMN.

My country, 'tis of thee,
Land where things used to be
So cheap, we sing,
Land where folks once could buy
Things that are now so high;
To thee, with many a sigh,
Our memories cling.

Some of the people swear
That what they eat and wear
Takes all their wad.

Others avow that they
Now eat but once a day,
And for that cannot pay,
So help them, God.

Thy people's humble plea
Is that thou now wilt free
At least one leg.

On flesh of beef and swine,
We do ask to dine,
But give us, Lord divine,
One good, fresh egg.

Our Father's land, with thee,
Blest home of Liberty,
We choose to stop.

We don't exactly like
So soon to henceward hike,
But we must hit the pike
If things don't drop.

—C. DeVos.

DURING the month of June our job department turned out over 60 pieces of work, and we have over 50 satisfied customers from this department.

While ordinarily the summer months are exceedingly light on this class of work, we have been kept pretty busy.

All our work has been delivered when "promised" and no disappointments to the patrons of this department has been experienced because the work was not ready for them when they wanted it.

We make a specialty of doing the best that can be done in the art of printing, and our plant is not excelled by any country office in the state of Michigan for this purpose.

We have the latest there is in material and equipment.

If you have an idea, we offer no suggestions, but carry your ideas into the job, and by so doing our customer is satisfied. If you wish our advice it is cheerfully given, and your work is given an individuality that none other possesses.

In this department our motto is "Satisfaction" and if our customer is satisfied, we are pleased with our efforts.

We do work for "particular" people, who want first class work, and who know what good work is.

Our job department is ever at your service with competent and experienced men, both in the job and press departments. There is no job too large or none too small, but what we can do just as you want it done.

When you want any work in this line please give us a call or phone No. 38 and we will be pleased to give you estimates and prices and submit you samples.

A NARROW ESCAPE IN RAILROAD WRECK

Mr. and Mrs. J. V. Smith of The Racket store of this city were the victims of quite a serious accident as they were returning home last Friday afternoon from Grand Rapids. They were passengers on the Grand Rapids flyer on the new interurban due in Kalamazoo at 3:40. When near Plainwell an interurban went through an open switch and crashed into the flyer. Several were hurt, but none seriously. They were taken to Borgess hospital and their wounds examined. Mrs. Smith fell when the car was struck, striking across the lower part of her face. Her lip was badly cut and three of her teeth broken out besides suffering a great nervous shock. Mr. Smith was thrown so as to strike his neck on a seat. It is not known just how serious his injury will prove as it seemed to effect his throat and voice so that by spells he is able to talk only in a whisper. They were brought to Paw Paw in an automobile Friday evening and Dr. Maxwell called. They are both recovering from their injuries, although it will take some time for them to become their natural selves again. Their friends are rejoicing that it was no worse than it is and hope for a speedy recovery.

800 PEOPLE SEE CHARLEY CHAPLIN

Charley Chaplin's "Night Out" at the Idle Hour last Saturday night drew a packed house to four shows and it was nearly midnight before the last show let out.

Manager Decker has contract with the Essanay Film Co. for Charley and will show him in his latest releases at this photo-play house every Saturday night. Chaplin is the highest salaried movie man in the country today, drawing a salary of \$250,000 per year, and has only been with the Essanay film Co. for the past six months. These films are being shown by the best of photo-play theaters in the country, and the best way to keep the doctor away is to laugh, and laugh often, and Chaplin is said to be the greatest laugh producer in the world today and a person is sure a "dead one" in whom he cannot produce at least some signs of mirth while watching his antics upon the curtains at the Idle Hour Saturday night.

No sessions of the Probate court will be held on Tuesday, Wednesday and Thursday, July 13, 14 and 15 as Judge Killifer will be in attendance at the State Association of Probate Judges to be held at Cadillac on those days.

UNUSUAL ACCIDENT AT EAGLE LAKE

Mrs. Eugene Hinckley stepped on a rotten board on the porch of the Hinckley summer home at Eagle Lake last Sunday and was thrown in such a way that she could not recover. She was alone at the house and hung by her foot over the side of the porch for nearly half an hour before help arrived.

Her cries for assistance attracted the attention of Warren Mosier who released her. When he arrived Mrs. Hinckley had nearly fainted.

Mr. Hinckley was County Commissioner of Schools a number of years, ago and lived in Paw Paw and they still have many friends and relatives throughout the county, although they now reside in Kalamazoo.

AND MAYBE THEY CAN.

One third of the fools in the country think they can beat a lawyer expounding the laws; one-half think they can beat the doctor in healing the sick; two-thirds of them think they can put the minister in the hole expounding the gospel, and all of them think they can beat the editor running a paper.
